TERMINAL DISCLAIMER

I, Dr. Harald Hagedorn, having a place of business at SAP AKTIENGESELLSCHAFT. ("SAP"), Neurotstrasse 16, D-69190 Walldorf, Germany, state that I am authorized to sign on behalf of SAP, the assignee of this application, and that the assignment referred to below has been reviewed. I certify that, to the best of my knowledge and belief, the entire right, title and interest in this application is in the name of SAP by virtue of an assignment recorded in the U.S. Patent and Trademark Office at Reel 014352, Frame 0971.

SAP hereby disclaims, except as provided below, the terminal part of the term of any patent that grants from this application that extends beyond the expiration date of the full statutory term defined in 35 U.S.C. 154-156 and 173, of any patent granted on pending U.S. Patent Application No. 10/628,564 ("the '564 application"), whereby the patent that grants from this application and any patent granted on the '564 application will expire on the same day, and the patent that grants from this application shall be enforceable only for and during such period that it is commonly owned with any patent granted on the '564 application.

SAP does not disclaim any terminal part of the term of the patent that grants from this application prior to the expiration date of the full statutory term of any patent granted on the '564 application in the event that a patent granted on the '564 application later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR §1.321(a), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term, except for the separation of legal title as stated above.
